EDUCATION

Medford Vocational Technical High School

Medford, MA

Expected Graduation: 2027

Unweighted GPA: 3.72

- Consistent Honor Roll, Ranked 6th out of 300+ students based off of weighted GPA

VOLUNTEER EXPERIENCE

Bread Of Life Malden, MA

Summer 2022 - Summer 2024

- Contributed approximately 50 volunteer hours supporting food distribution for economically struggling community members. Partook in various tasks to increase workflow speed and a clean workplace.
- Efficiently packaged and distributed hundreds of food bags and boxes during high-demand days to support individuals and families. Worked with other volunteers to ensure a smooth workflow and maintain consistency.
- Assisted with daily loading and unloading vehicles for food distribution in Everett, MA, helped organize and properly store incoming food donations.
- Communicated with Taishanese speakers during weekly food distributions to ensure they understood the process along with available food options. Ensured that everyone received assistance if needed.

LEADERSHIP & EXTRACURRICULARS

Varsity Track | Medford High School

2023 - Present

Member | Model UN, Medford High School

October 2024 - Present

- **Honorable Mention** | Catholic Memorial–Ursuline Academy Model UN Conference XIII (20+ delegates)
- Participated in 2 conferences representing figures involved in a variety of conflicts; conducted research on my assigned character and collaborated in large debates and discussions to draft resolutions to support my position.

Treasurer | Key Club, Medford High School

February 2025 - Present

- Collaborated with peers to revive Key Club after its shutdown due to COVID-19, revitalizing Key Club with nearly 70 members and ongoing recruitment efforts to further expand the amount of club members.
- Coordinated with 3 club officers and engaged with club members to plan future community service events and fundraising initiatives for the following years.
- Completed 10 hours of community service through various Key Club volunteering opportunities.
